

Peer2Peer Sponsors Elementary School Class for Junior Achievement

November 1, 2008. Peer2Peer Tutors sponsored Mr. Dudley's 3rd graders at Flower Hill Elementary (seen in photo) in Gaithersburg, MD for the Junior Achievement program. In conjunction with Montgomery County Public Schools ([MCPS](#)) and the Montgomery County Business Roundtable for Education ([MCBE](#)), Junior Achievement uses age-appropriate content designed to help prepare students for their roles as individuals, workers, and consumers in an expanding cultural environment that extends from the self and family to global relations. Each grade level has its own 'theme' and hands-on materials that encourage students to use the information to apply basic skills, think critically and solve complex problems. All of Mr. Dudley's students enjoyed participating in 2008's fall program led by Peer2Peer's MOM Ann Connelly.
