

Voted 2008's Best Tutoring Company in Montgomery County by Bethesda Magazine, Peer2PeerTutors expands into Howard County this fall.

Company History

Founded in the fall of 2003, Peer2Peer empowers top achieving high school students to tutor and mentor younger students in K-12 subjects. The company was founded by a Montgomery County student, Erik Kimel, during his senior year at Winston Churchill High School. Over the past five years, Peer2Peer and its tutors have held over 7,000 successful tutoring sessions, served over 370 students and created jobs for over 329 top achievers in Montgomery County.

Howard County

Peer2PeerTutors currently has tutors available from Mt. Hebron High School. They are excited about this new opportunity in their high school. Our one-to-one tutoring program covers:

Any K-12 Subject
We Come to YOU!
Affordably Priced

That means our tutors work with students in Math, Reading, Foreign Language, Science, Homework Coaching, Organizational Skills, and more. Your tutor will come directly to your home, on any schedule you see fit. Our tutors raise grades and confidence levels because of their unique ability to relate to other students.

One Parent's Thoughts

"As a parent of a sixth grade student, I am very pleased to have your services. Your tutors have been very polite, understanding, and knowledgeable and have provided the much needed outside help that my daughter needs. It's nice to know we have the resources and the willingness of our young adults to come forward to help others in their community." – Ann W.

We offer tutoring in any elementary, middle, or high school subject.

Peer2Peer Tutors believes that parents deserve high quality tutoring services at an affordable price. Our tutors have taken the classes, know the teachers, and can relate to your child in ways an adult tutor cannot. We offer tutoring in any elementary, middle, or high school subject. Peer2Peer subject tutoring is purchased in a package of sessions. Each session is valid for one (1) hour of tutoring.

To sign up and book sessions for your child, go online to www.peer2peertutors.com or call Deb Fieldhouse at 410-804-6968 for additional information.

Meet Our Administrators

Asst. Principal:
Ms Jennifer Clements

My history with the Howard County Schools began when I started Kindergarten. I continued through Dasher Green Elementary, Owen Brown Middle, and ultimately graduated from Oakland Mills High School (Class of 1991). I earned my Bachelor's Degree in Biology and my Teaching Certificate from UMBC and then returned to Oakland Mills High School as a teacher and a coach (I was a Science Teacher, G/T Resource Teacher, Field Hockey Coach, and Lacrosse Coach there for eight years). While teaching, I earned my Master's Degree in Secondary Education from UMBC and then my Administration and Supervision Certificate from Loyola College. I joined the Mt. Hebron community as an Assistant Principal in October 2003, and am thrilled to embark upon my sixth year as an administrator at Mt. Hebron High School.

I continue to be impressed with this great school and amazing community! I value the opportunity to continue to work with such a dedicated staff in serving the students, parents, and community of Mt. Hebron. I look forward to serving the school in many capacities. The three responsibilities of mine that you, as parents, will be most aware of include overseeing scheduling, overseeing the School Improvement Team, and being the administrative liaison to the Ninth Grade Team and the Viking Backers. My responsibilities in working directly with students (including discipline) include students with last names starting with letters O through Z. Please feel free to call or email me with questions, concerns, or comments related to any of my areas of responsibility or if you feel there is any other way I can be of assistance. I look forward to meeting and working with all of you throughout your tenure here at Mt. Hebron!

You may contact me by email (Jennifer_Clements@hcpss.org) or by phone (410) 313-2880.
